Remarks

This cozy cape has had many recent upgrades including a new standing seam roof, Corian counters, new windows including the basement, new vinyl siding, new floors, new bathroom and new paint. The quality of construction in this home is something you don't see today. The rooms are spacious, and the yard offers lots of possibilities for enjoyment. There is also over 330 feet on the Carrabassett stream. This property is between Skowhegan and Newport for shopping and services.
